Conference

Dear Guest

Thank you for considering us to be a part of your forthcoming event.

We are delighted to present our conference brochure, and trust that within the menus and packages which we have designed, that there is an option which meets your requirements.

If you would like to make any changes to our suggestions, or have special dietary requirements, please feel free to speak with us and we will gladly accommodate your wishes.

We would also like to invite you to have a coffee with us and have a look around our facilities. This is also an ideal opportunity to meet members of our team, crystallise your requirements and tailor a perfect day that you will always remember.

Please call 028 2565 2639 and ask one of our Reception team for an appointment with our event co-ordinator.

About Us

Tullyglass Hotel has a history dating back to the second half of the 19th century, this gives the building and surrounding gardens a history of which we are proud. The hotel is widely known throughout Ireland as one of the country's best hotels for functions and as a family business, we feel we "go the extra mile" to make your special day exactly as you want it.

Our team is focused on making sure that all of the small details are dealt with, and that each element of your event flows smoothly. To achieve this, we can offer a number of suite options dependent upon the number of delegates.

Our Head Chef and his team are widely recognised as being at the top of their profession, and have developed the tempting menu options included in this document, but they also enjoy meeting any special requirements that are requested. Our event co-ordinator will gladly spend time with you and develop your ideal menu.

The Corinthian Suite

Room Features

Our Corinthian Suite has just been restyled drawing its references from the Corinthian columns that featured in the original building. The Suite can cater for up to 200 guests or delegates 'theatre style' or round tables, 160 in 'cabaret style', or 50 'boardroom style'.

It also has the advantage of its location beside our Conservatory Suite which can for example, be used as breakout room, a pre-meeting space for coffee and canapes or other refreshments as delegates gather, or simply a registration space prior to an event.

The Conservatory Suite

Room Features

Our Conservatory Suite offers the ideal setting for a smaller informal event, or as noted, can be used as a space to service larger events, for example as a reception area, or somewhere to serve refreshments as the delegates gather.

When used as a stand-alone venue, we suggest a comfortable number of delegates is around 20 in 'boardroom style' or up to 60 if the event is less formal. This Suite is renowned for its natural light and comfort when used informally.

The Residences

Room Features

The Residences has been developed by us in the grounds of Tullyglass Hotel to accommodate a specific need that was identified from our business users.

It is self-contained, offers highly specified bedrooms (if required to allow for overnight stays) and has both meeting and catering facilities. This allows management, team building and other special meetings to be held 'in camera', away from the gaze of others.

It is a comfortable size for groups of between two and 10 dependent upon the objectives of the meeting. We can arrange the space for either informal or formal usage.

Relaxing, very enjoyable and would definitely stay again. I always like to have a warm welcome when I enter a hotel which I certainly did in the Tullyglass. My room was very comfortable, the corporate facilities were exactly what I needed, i.e. modern, convenient and aided superbly by the Conference Manager. A very pleasurable stay and I would firmly recommend it to anyone who looks for a hotel with high standards at a competitive price.

Accommodation

Tullyglass House Hotel offers a selection of 40 bedrooms. 33 elegant bedrooms are based in the original historical building, and we note that in this world of uniformity, each is a little different to the next. The Residences which is within the grounds of the hotel offers a further seven luxury en-suite rooms and is ideal for smaller groups, such as management teams, that wish to stay together. Our friendly staff offer a warm welcome, speedy check-in and check-out, and we try to meet the needs and expectations of each guest, whatever their requirements.
